Information Systems undergraduate with strong hands-on experience in project management and digital product development, particularly in Roblox-based virtual platforms and educational simulations. Proven ability to lead cross-functional teams, manage end-to-end project execution, and deliver structured digital solutions aligned with real-world needs.

## WORK EXPERIENCE

### ONBLOX STUDIO

#### Project Manager | Co - Founder

Jul 2025 - Now

- Led end-to-end delivery of Roblox-based digital products, from planning and sprint execution to client communication and release.
- Coordinated a cross-functional team (builders, designers, scripters) using Agile-style workflows.
- Delivered the President University Virtual Campus Beta 30% faster than planned, reaching 2,000+ visits within the first week.
- Contributed directly to building and design (~30%) while maintaining quality assurance standards.
- Managed the virtual concert IDGITAF & Dannila on Ahquote Land, achieving over 1 million social media engagements (likes, comments, and map visits) across TikTok, Instagram, and Roblox.

#### Selected Projects:

President University Virtual Campus | Ahquote Land | Coldiac Land

## EDUCATION

### PRESIDENT UNIVERSITY

Aug 2024 - Present

#### Information System and Business Management - GPA 3.83

- Enterprise Resource Planning (ERP), Business Process Analysis, Systems Analysis & Design, Data & Information Management

## ACTIVITIES

### PUMA INFORMATION SYSTEMS

#### Project Manager (Hackathon)

Jan 2025 – May 2025

- Led the planning and execution of an international student hackathon co-hosted by President University (Indonesia) and UNITAR International University (Malaysia).
- Managed logistics, timeline, and cross-department coordination for a 3-day hybrid event involving 25+ participants.
- Facilitated cross-cultural collaboration and ensured smooth execution across workshops and challenges.

### PRESIDENT UNIVERSITY INVESMENT CLUB

#### Project Manager (Leadership Program)

Nov 2024 – Jan 2025

- Spearheaded a leadership development workshop focused on communication and team effectiveness.
- Managed end-to-end operations including agenda design, speaker coordination, and internal team collaboration.

## ACADEMIC PROJECTS

### ECOBLOX SOCIAL PROJECT (Short Semester Program)

#### Vice Project Manager

June 2025 – July 2025

- Developed an educational waste management game on Roblox for high school students.
- Supported project planning, task delegation, and progress tracking across technical and non-technical teams.
- Aligned digital product delivery with social impact and educational objectives.
